

Emergency Shower & Eye

2340000050M

Emergency Shower

Emergency shower is an emergency device that temporarily relieves any toxic or harmful substances, such as corrosive chemical liquids, from incurring further damage to a physical body in case the hazardous substance spills to the body, face or eyes of workers, and makes time for professional medical care. Standard type equipped with shower and eyewash. Provide full-body relief from contamination quickly and effectively. Comply with ANSI Z358.1-2014.
