

Emergency Shower & Eye

234000040MS

Deck Mounted EyeWash

Deck Mounted Eyewash is directly installed on the desk of the work site. When the user's eyes, face, neck or arms are harmed by chemicals, the wall mounted eyewash is selected for flushing with large amounts of water. Standard type of Deck Mounted Eyewash. The stainless-steel nozzles with filters provide aerated streams for rinsing eyes softly, flushing harmful substances quickly and reducing damage on eyes.
